

Animal Health (Emergency Measures for Outbreaks of Infectious Diseases) Order 2022
Avian influenza

Declaration of New Island, South Point as free from Avian Influenza (article 6(2))

1. On 29th January 2024, I, Andrea Clausen, Director of Natural Resources, made a notice, under article 5(4) as read with article 6(1) (declaration of infected place) of the Animal Health (Emergency Measures for Outbreaks of Infectious Diseases) Order 2022 (“**the Order**”) to Falklands Conservation (“**the Occupier**”) declaring the area known as the South Point of New Islands as an infected place (“**the Infected Place**”).

2. After having consulted with the Senior Veterinary Officer as is required under article 6(3) of the Order, I am satisfied that-
 - (a) infection or contamination of Avian Influenza is no longer present at the Infected Place; and
 - (b) cleansing and disinfection has been completed in accordance with the requirements in the said notice.

3. I therefore declare that the notice of declaration of the Infected Place that I made on 29th January 2024 is hereby formally revoked in accordance with article 6(2) of the Order as from 22nd February 2024.

Signed

Date 22 February 2024
